

Member User Panel Manual

Members get the activation mail with the login credentials to access the Member backend.

Dashboard

The “**Token Purchased**” denotes the number of tokens purchased by the user. The “**Tokens Remaining**” shows the number of unsold or remaining tokens. The “**Ether Balance of Users**” shows the balance number of Ether Tokens of the user. The “**KYC Status**” shows if the user’s KYC is approved by the admin or not. If approved, it will display as “**Approved**” if not, it will display as “**Pending**”. Only after the KYC of the user is approved, the user will be allowed to buy a token.

“**Your Orders**” lists the number of orders by the user. The method (BTC/ETH/USD), number of tokens, price, date, time and the status as approved or pending by the admin.

The screenshot displays the ZUE Member User Panel Dashboard. The interface includes a dark sidebar with navigation links: Dashboard, Wallet, Tokens, My Profile, KYC, Terms and Conditions, Privacy Policy, and Log Out. The main content area features three summary cards: Tokens Purchased (17112.7844739), Ether Balance of Users (0.59687126448744954), and KYC Status (Approved). Below these is a table titled "Your Orders" with columns for #, Method, Amount, Number of Tokens, Date, Time, and Status. The table lists 10 orders, with the last two (7 and 8) marked as Failed.

#	Method	Amount	Number of Tokens	Date	Time	Status
1	ETH	0.31459425674502310000	150.00	08/20/2018	09:40:32	Approved
2	ETH	0.33749301545901000000	150.00	08/23/2018	12:02:04	Approved
3	USD	150.00	250.00	08/23/2018	12:07:02	Approved
4	USDT	91.20000000000000000000	152.00	08/23/2018	13:13:05	Approved
5	USDT	96.10000000000000000000	160.17	08/23/2018	13:13:05	Approved
6	BTC	0.01419000000000000000	153.87	08/24/2018	05:44:04	Approved
7	ETH	0.45815423514609005000	0.00	09/18/2018	05:35:43	Failed
8	ETH	0.48849557522199005000	0.00	09/18/2018	05:38:56	Failed

Wallet

This section shows the wallet address and lets the user generate a private key for the same. The user can make use of his private key for the purchase of tokens anywhere other than Zuenchain.

The screenshot shows the 'Create Wallet' page in the ZUE application. On the left is a dark sidebar with the ZUE logo and a navigation menu including Dashboard, Wallet, Tokens, My Profile, KYC, Terms & Conditions, Privacy Policy, and Log out. The main content area is titled 'Create Wallet' and contains a 'Wallet Information' section. This section displays a 'Wallet' label, a long grey box for the address, and the text 'Wallet Address : 0xf2be409f686cbe5a66dd7fdf258233e12877ac8b'. Below the address is a green 'Generate Private Key' button. The top right of the page shows the user 'Test Shobana' and a copyright notice '© 2018 Zuenchain. ALL RIGHTS RESERVED' is at the bottom right.

The user can purchase a token only after his KYC status is approved. It also lists the orders, that include, the number of tokens bought, method (ETH, BTC, USD,USDT), price, status (approved/pending), date and the time respectively.

KYC

The user is asked to upload a clear front and back copy of his driving license. A color copy of the passport should be uploaded. The user is requested to provide a clear copy of any one of his address proof.

The screenshot shows the 'KYCs' (Know Your Customer) page in the ZUE application. The layout is similar to the previous page, with a sidebar and a main content area. The 'KYCs' section is divided into three columns: 'Driving License', 'Passport', and 'Proof of Address'. The 'Driving License' column has two 'Upload' buttons for 'Front Copy of Driving License' and 'Back Copy of Driving License', followed by a 'Submit' button. The 'Passport' column has one 'Upload' button for 'Upload a Colour Copy of Passport', followed by a 'Submit' button. The 'Proof of Address' column has one 'Upload' button for 'Any one Colour Copy of Address Proof (e.g. passport, driving license or ID card)', followed by a 'Submit' button. The top right shows the user 'Test Shobana' and the copyright notice '© 2018 Zuenchain. ALL RIGHTS RESERVED' is at the bottom right.
